We won d respectfully refer you to the following gentlementing certain area for the portability, unitry and practical operaone of our Pertable Steam Angines and Saw Mills: Charlotte, Mich., March 13th, 1866. J. H. Duvall-Star My Will and Engine is giving the best of

satisfaction. I had is running in five days after receiving it.—
The first day after starting the Mill, we sawed 43 logs into inch
umbe, making 10 645 feet in nine hours. On the second day
we sawed 18 580 test in 10% hours. It was timed at one time
when it ent 5 boards, 16 test in each board, in one minute.
Yours, truly, GEO. N. POTTES.
